## Net Report

Hello everyone! Here are the numbers I have for the month of June. Some nets are not accounted for because I did not receive them. Numbers are as follows.

Net Sessions: 26  
SWARC Members Participating: 24  
Visitors Participating: 44  
Total Check Ins: 368  
Average of 14 check ins a night

### Net Controls

AJ4NX ran 6 nets  
NC4MP ran 5 nets  
KK4BVU ran 5 nets  
KT4JR ran 5 nets  
KJ4CVK ran 5 nets

### Top 10

The check in champs for June 2012 are none other than KT4JR (Just Right) and the troll of Pikeville NC4MP each with 25 check ins. The runner up is KK4BVU with 24 check ins. Next up is KJ4CVK with 19 check ins. Batting clean up is K4MWE with 16 check ins. Next is Grandma's mean youngin' aka KA0GMY with 11 check ins. Then we have KJ4DNS with 9 check ins. Next is KD4KII with 7 check ins. Next is KI4YII (Yes I'm Intelligent) with 6 check ins. Next is the intelligent KG4RMT with 5 check ins. Last but not least, we have KK4ATD, the educator of Sampson County KI4GNC, and the always hungry KI4VBA with 4 check ins each.

That is what I have for June. I would like to thank all of the net controls for their services and taking the time to call the nets each week. I would also like to give a warm welcome back to KA0GMY as he is back at the helm doing the Tuesday night net as well as the Trader's net. Last month I believe I mentioned that the Trader's net was going to become a monthly net. Well that turned out to be a little fib, because I have it under good authority from KA0GMY that there is one individual that did not want to see that happen. So I am happy to say that the Trader's net will continue to be a weekly net (every Tuesday night except the 2nd Tuesday of each month). I also want to remind everyone that we still are in need of a net control for Sunday night. If you can't do Sunday night, but want to be a net control, please let me know because we might be able to swap out with some of the current net controls. I will happily give up Monday night to someone and take over Sunday night. If anyone is interested, please send me an email to [aj4nx@yahoo.com](mailto:aj4nx@yahoo.com). That is all I have for this month. 73 till next time!
